To the shareholders

Dear Sir or Madam,

**PROPOSALS RELATING TO
GENERAL MANDATES TO ISSUE AND REPURCHASE SHARES
AND RE-ELECTION OF DIRECTORS
AND
NOTICE OF ANNUAL GENERAL MEETING**

INTRODUCTION

At the annual general meeting of First Shanghai Investments Limited (the “Company”) for the year ended 31st December, 2011, resolutions will be proposed to grant to the directors of the Company general mandates to issue and repurchase shares of the Company.

The purpose of this circular is to give you further details of the abovementioned proposals and notice of the annual general meeting of the Company for the year ended 31st December, 2011 (the “AGM”). In compliance with the Listing Rules of The Stock Exchange of Hong Kong Limited (the “Stock Exchange”), this circular also contains the explanatory statement and gives all the information reasonably necessary to enable shareholders to make an informed decision on whether to vote for or against the resolution to approve the purchase by the Company of its own shares, together with particulars of the directors proposed to be re-elected at the AGM.

LETTER FROM THE BOARD

GENERAL MANDATE TO ISSUE SHARES

At the AGM, an ordinary resolution will be proposed to grant a general mandate to the directors of the Company to allot, issue and deal with additional shares of the Company not exceeding 20 per cent. of the issued share capital of the Company to provide flexibility to the Company to raise fund by issue of shares efficiently. On 11th April, 2012 (the “Latest Practicable Date”), being the latest practicable date prior to printing of this circular, there were in issue an aggregate of 1,398,913,012 shares of HK\$0.20 each in the Company (“Shares”). On the assumption that no Share will be issued prior to the AGM, exercise in full of the mandate could result in up to 279,782,602 Shares being issued by the Company.

In addition, an ordinary resolution will also be proposed to authorise an extension of this mandate by adding thereto the aggregate nominal amount of any Shares repurchased under the general mandate to repurchase shares.

GENERAL MANDATE TO REPURCHASE SHARES

At the AGM, an ordinary resolution will be proposed that the directors be given a general mandate to exercise all powers of the Company to repurchase issued and fully paid shares of the Company. Under such mandate, the number of shares that the Company may repurchase shall not exceed 10 per cent. of the share capital of the Company in issue on the date of the resolution. The Company’s authority is restricted to purchases made on the Stock Exchange in accordance with the Listing Rules of the Stock Exchange. Based on 1,398,913,012 Shares in issue as at the Latest Practicable Date and on the assumption that no Share will be issued prior to the AGM, exercise in full of the mandate could result in up to 139,891,301 Shares being repurchased by the Company. The mandate allows the Company to make or agree to make purchases only up to the date of the next annual general meeting, the date by which the next annual general meeting of the Company is required to be held by law or the date upon which such authority is revoked or varied by an ordinary resolution of the shareholders in a general meeting of the Company, whichever occurs first.

The directors have no present intention to repurchase any Shares but consider that the mandate will provide the Company the flexibility to make such repurchase when appropriate and beneficial to the Company. Such repurchases may enhance the net value of the Company and/or earnings per Share. As compared with the financial position of the Company as at 31st December, 2011 (being the date of its latest audited accounts), the directors consider that there would be a material adverse impact on the working capital and on the gearing position of the Company in the event that the proposed purchases were to be carried out in full during the proposed purchase period. No purchase would be made in circumstances that would have a material adverse impact on the working capital or gearing ratio of the Company.

The Company is empowered by its Memorandum and Articles of Association to purchase its Shares. Hong Kong law provides that payment in connection with a share repurchase may only be paid out of distributable profits or the proceeds of a fresh issue of shares. Under Hong Kong law, the shares so repurchased will be treated as cancelled.

The directors intend to apply the profits that would otherwise be available for distribution by way of dividend for any purchase of its Shares.

LETTER FROM THE BOARD

Directors, their associates and connected persons

None of the directors nor, to the best of the knowledge and belief of the directors having made all reasonable enquiries, any of the associates of any of the directors has any present intention, in the event that the proposal is approved by shareholders, to sell Shares to the Company.

No connected person of the Company (as defined in the Listing Rules of the Stock Exchange) has notified the Company that he/she has a present intention to sell Shares to the Company nor has he/she undertaken not to sell any of the Shares held by him/her to the Company in the event that the Company is authorised to make purchases of Shares.

Undertaking of the directors

The directors have undertaken to the Stock Exchange to exercise the power of the Company to make purchases pursuant to the proposed resolution in accordance with the Listing Rules of the Stock Exchange and all applicable laws of the Hong Kong, and in accordance with the regulations set out in the Memorandum and Articles of Association of the Company.

Effect of Takeovers Code

A repurchase of Shares by the Company may result in an increase in the proportionate interests of a substantial shareholder of the Company in the voting rights of the Company, which could give rise to an obligation to make a mandatory offer in accordance with Rule 26 of the Hong Kong Code on Takeovers and Mergers (the “Code”).

As at the Latest Practicable Date, to the best of the knowledge and belief of the Company, China Assets (Holdings) Limited (“China Assets”), Ms. Chan Chiu, Joy (“Ms. Chan”), Mr. Yin Jian, Alexander (“Mr. Yin”) and Mr. Lo Yuen Yat (“Mr. Lo”) (the Chairman and an executive director of China Assets), who held approximately 17.70 per cent., 14.41 per cent., 14.41 per cent. and 12.96 per cent. of the issued share capital of the Company respectively, were the only substantial shareholders holding more than 10 per cent. of the issued share capital of the Company. In the event that the directors should exercise in full the power to repurchase Shares which is proposed to be granted pursuant to the resolution, the shareholdings of China Assets, Ms. Chan, Mr. Yin and Mr. Lo in the Company would be increased to approximately 19.67 per cent., 16.02 per cent., 16.02 per cent. and 14.40 per cent. of the issued share capital of the Company respectively and such increase may give rise to an obligation to make a mandatory offer under Rule 26 of the Code if the Securities and Futures Commission rules that they are parties acting in concert under the Code. The directors have no intention to exercise the repurchase mandate to such an extent which would trigger a mandatory offer under Rule 26 of the Code.

Stock Exchange Rules for repurchases of shares

The Listing Rules of the Stock Exchange permit companies whose primary listings are on the Stock Exchange to repurchase their shares on the Stock Exchange subject to certain restrictions, the most important of which are summarised below:

(a) Shareholders' approval

The Listing Rules of the Stock Exchange provide that all shares repurchases on the Stock Exchange by a company with its primary listing on the Stock Exchange must be approved in advance by an ordinary resolution, which may be by way of general mandate, or by special resolution in relation to specific transactions.
